Sub:- 74th Foundation Day Celebration - 2nd Feb 2022

Dear Students, Parents and Old Yadavindrians,

1. The School completes 74 years of its iconic presence today, greetings to the students, parents and alumni on this occasion.
2. My sincere thanks to each one of you, for the significant contribution in these 73 glorious years of the school's journey.
3. This past academic year, I feel, has been bereft of consistency, since different modes of education - online, offline and hybrid were practiced at different times, in keeping with the COVID guidelines. But nonetheless, the teachers, parents and students adjusted very well and the academic record of the students was commendable.
4. My sincere gratitude to all the parents who have extended their cooperation in these challenging times, always accepting and supporting the school in all the decisions that were made to ensure the safety of the students. My compliments to the students who attended the offline classes, making the school campus reverberate with laughter and joy. I congratulate the staff for instantly adapting to the challenging hybrid teaching methodology from July 2021 onwards.
5. Though the celebrations, this year too, like 2021 have been withheld in accordance to the COVID safety guidelines, we are positive that we will celebrate our 75th Foundation Day with grandeur.

Wishing you all good health and safety.

Yours sincerely,

Maj Gen Sanjiv Varma, VSM(Retd)
Director
